## The "Lucian Blaga" Central University Library CLUJ-NAPOCA

## Information and documentation sources & Services

October 2021

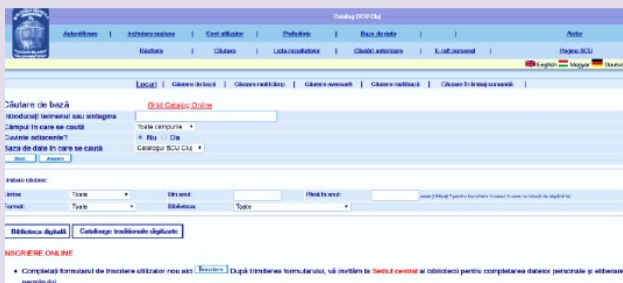

## THE ELECTRONIC LIBRARY

# INFORMATION AND DOCUMENTATION SOURCES

## The online catalogue:

- Contains over 900.000 titles and over 1.600.000 items;
- Contains all of the documents that entered the collections starting with 1995 and the ones included through the retroconversion process;
- From 2005, it is included in the RoLiNeSt virtual catalogue, from 2013 in EDS, and from 2014 it is integrated in WorldCat, the largest international catalogue managed by OCLC.

## The traditional catalogues:

- 26 catalogues: catalogues of books, a catalogue for the periodicals, a catalogue for the editorial collections, an old legal catalogue, a catalogue for university yearbooks, a catalogue for calendars a catalogue for the special collections (17), a catalogue for school yearbooks, a catalogue for reports;
- Over 2.000.000 digitised records;
- They contain from the first documents that entered the library to the ones entered in 2008, including the legal deposit, beginning with 1923.

## The platform for the Babeş-Bolyai University bibliographies (<https://public-view.bcucluj.ro>)

- Contains the scanned bibliography of the university courses (undergraduate level and master's degree level);
- Includes over 30.000 documents for the bibliographies and over 2.200 documents in journals and editorial collections.

## Subscribed scientific databases, with full text (23) or bibliometric databases (2)

EDS –Ebsco Discovery Service – unique search portal in the online catalogue and in the subscribed scientific databases, as well as in other resources made available by the EBSCO company.

EBOOKS – permanent access to ebooks, over 57.000 titles of scientific books.

## The digital library (<http://dspace.bcucluj.ro>)

- Includes over 140.000 digitised documents;
- Contains documents that are representative for Transylvania;
- Integrated in the Europeana portal since 2015.

## Own databases – Specialised bibliographies:

- On subjects of *Romanian History*;
- On subjects of *Literature and Literary criticism*;
- On subjects from the different fields of the branch libraries;
- Access from internal platforms and from the online catalogue by selecting the Bibliographies database.
